Product Summary

Chocolate Chip is the perfect snack for any one including your kids. Cookies are the perfect treat to get your kids to willingly enjoy a nutritious snack that is tasty and healthy. With 4 great flavors there is a right cookie for you!

Product Description

Chocolate Chip Contains 5g of natural dietary fiber per cookie. Chips to Go High Fiber Cookies have shown to help prevent chronic constipation, maintain blood sugar levels, lower cholesterol, and more. The best tasting high-fiber cookies around! Four delicious flavors: Chocolate Chip, Vanilla Almond, Vanilla Rainbow, and Oatmeal Raisin. There are 12 cookies per box. Great for dessert or as a snack in between meals. Eating 1 cookie at breakfast or bedtime promotes regularity and helps prevent constipation. Circle K - Kosher Parve. Peanut allergy information: "Chips to Go" high fiber cookies do not contain any peanuts but they are not made in a peanut free environment. Bakery Foods that are high in fiber can help in the treatment of constipation, hemorrhoids, diverticulitis, and irritable bowel syndrome.
